Seeking a job in respective organization, where my academic background, experience, may be applied and further developed, I am willing to be part of and contribute to the success of the organization that I am in by creating a friendly team environment and maintaining excellent corporate image.

EDUCATION

El Shorouk academy, higher institute of engineering

Department: electrical power & machines.

Present Status: B.Sc. in electrical engineering.

Graduation Year: 2013

Overall grade: excellent

Graduation Project:

Title: PLC-based electro-pneumatic system

Description: making some processes and operations on a product by using electric motors and sensors and pneumatic actuators to get a product with needed specifications.

Sponsorship: Barkouky organization (electrical system integrator)

Graduation project grade: excellent

UNDERGRADUATE EXPERIENCE

Training:

July 2009– august 2009

Petro jet, el kattameya

- Electrical circuits installation & control circuits
- Control circuits

July 2012

EGEMAC

- electrical panel design and collect an electrical panel
- power factor correction panels

July 2012

ELMACO TRANSFORMERS

- design of low, medium and high voltage transformers
- current transformers and potential transformers

August 2012

North Cairo Company for electricity distribution

- Electrical distributors
- Transformers plant 66kv/11 kV

Courses

- Electrical installations (60 hours)
Place: Salesian Italian institute "DON BOSCO"
- Classical control by contactors (90 hours)
Place: Salesian Italian institute "DON BOSCO"
- Programmable logic controllers (P L C) S7-200 (50 hours)
Place: Salesian Italian institute "DON BOSCO"
- Electrical power distribution (36 hours)
Place: jelecom

Events

- pirates activity participant at faculty of engineering Ain shams university in summer of 2009&2010 (practical electronics and microcontroller sessions)
- attendance workshop of future scientists and engineers at el shorouk academy (2009)
- attendance training program at atomic energy authority
- attendance Egypt engineers day (EED) at conference hall at Nasr city 2011&2012
- attendance some charity events

SKILLS

Computer Skills:

- Dialux
- AutoCAD
- Microsoft office (word ,PowerPoint, excel)
- Matlab

Personal Skills:

- Good Communications and Presentation Skills.
- Fast learner with high attention to details.
- Able to work as part of a team, to work individually under minimum supervision, and to work under pressure.

Language:

- Arabic: Mother Tongue
- English: very good Written and Spoken, Preparing for Toefl exam

Hobbies and interests

- playing football and mind games
- attending useful events
- interested in technology and science
